Subject.

Construction of a Musafirkhana attached to the Local Fund Dispensary at Holenarsipur.

Adverting to your memo No. 2828 dated 11th August 1927, on the above subject, I have the honour to state that the Executive Engineer, Sanitary and Town Planning Division, having suggested in his no.253 dated 29th August 1927 that the site lying to the north of the new deviation road at the place which was selected during the Dewan's visit to Holenarsipur might be adopted and the building put up 50 feet away parallel to the deviation road, it was finally decided to construct the building on the said site and as the acquisition of the lands was necessary therefor, the Presidents of the Hassan District Board and the Holenarsipur Town Municipal Council were requested to meet the cost thereof out of the funds of the respective local bodies in equal proportions. The President, District Board replied in his No. Gl. 1100-27 dated 16th September 1927 that the Board would bear half the cost; but the President, Holenarsipur Municipal Council has written to say (vide his No. 81 dated 15th December 1927) that the Council have resolved at their special meeting held on 10th November 1927, that on account of their financial stringency they can not bear any expenditure on this account. Copies of the District Board President's letter and of the resolution of the Municipal Council are forwarded herewith for reference.

The Amildar, Holenarsipur Taluk represents that the total cost of acquisition comes up to Rs.1642-12-0 approximately.

In consideration of the fact that the Municipal Council have already good many commitments and their resources are very limited, I recommend that the cost of acquisition of lands required for the Musafirkhana may be met equally by Government and the District -- Board, and request that the sanction of Government for the ~~Government~~ (Government) share of contribution, which may -- roughly be estimated at Rs. 850/- may kindly be obtained at an early date so as to enable the speedy construction of the building ~~in view of the fact that~~ the plans and - materials ~~are~~ being ready.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

Sir,

I have the honor to state that in connection with the construction of the Maternity Hospital at Hole-Narsipur, one Mr. Razali Beig, Contractor of the place offered that he would construct a musafirkhana at his own cost, in front of the Maternity building for the use of the Travellers accompanying the inpatients that come to the Hospital for treatment, before the Dewan Sahib during his tour during last March.

The Deputy Commissioner, in his D.O.letter No.L.S.G. 1784-26 dated 14th September 1927, called for my views in the matter. On receipt of the D.O., the same was placed before the Board at their meeting held on 29th and 30th October 1927 and the Board approved the resolution of the Standing Committee which resolved that the acquisition as noted in the Gazette may be approved and the Board may bear half the cost of the same, the remaining half being borne by Government, and Mr. Razali Beig may be shown the place for constructing the musafirkhana which was communicated to the Deputy Commissioner, with my letter No.C.151-26, dated 11/12th January 1927.

Though two months have elapsed, the bit of land required by the donor is not yet given possession to him for proceeding with the work. Delay may keep back the philanthropic gentlemen from

fulfilling his promise. The Deputy Commissioner, who was addressed in the matter of handing over the possession of the land to the donor, has in his letter No.C.23 (p) of 26 dated 23rd March 1928, states that a reference has been made to you to obtain the sanction of Government to bear half the cost of acquiring the land and on receipt of the Government order action will be taken.

I, therefore, request that you will be so good as to kindly instruct the Revenue authorities to hand over the possession of the bit of the land required by Mr. Razali Beig, for constructing the Dharmashala.

A copy of the resolution of the Board is enclosed.

The Deputy Commissioner,

Hassan District.

S i r,

With reference to correspondence ending with your letter No.C.23 (P)-26 dated 9th April 1928 stating that the District Board have agreed to bear half the cost of acquisition of the land required for constructing the Musafirkhana attached to the Local Fund Dispensary at Holenarsipur that the Municipal Council have expressed their inability to bear the other half and requesting that a Government grant may be given to meet the balance of cost of acquisition, I am directed to state that under Section 56 (b) of the Municipal Regulation, it is a duty of the Municipal Council to provide for the construction of a musafirkhana, more so when it is built as an adjunct to a medical institution located in the Municipal area. The Holenarasipur Municipal Council may therefore be requested to contribute the other half of the cost required towards the proposed acquisition.

I have, etc.,

Genl. Secy. to Government.
